

## 2022-2023 St. Marcus Media Notice & Objection Form

Dear Parents/Guardians,

There are times when St. Marcus student(s) may be a part of publications through an interview, photo or video. If you have any objection to these publications featuring your St. Marcus student(s), please check the appropriate item(s) on the bottom of this notice, and return to your child's teacher before the teacher leaves your home visit. **If we do not receive a completed form confirming your objection(s), we will assume you do not object.** The following are the most common scenarios where your student may appear in a photo, interview or video:

1. **St. Marcus** produces newsletters, calendars, a website, videos, social media posts and press releases that highlight the students and programs of our school.
2. **Staff of St. Marcus** may post photos or videos on their personal social media accounts that highlight students, programs and their classroom successes.
3. **External media** outlets periodically request permission to observe and report on our events or programs, which usually includes video and photos of students. We invite the media to do so under appropriate circumstances that are beneficial to our programs and students.\*

**\*SPECIAL NOTE ON MEDIA IN PUBLIC PLACES:** Media or private parties may be in public places where we are present for special activities, sports or trips. Please note that St. Marcus does not have the ability to prohibit reporting or coverage of activities we are doing in public. Please note this form is not able to address the public activities situation.

Thank you,
